General No. 1835-86.
No.

Sir,
With reference to
para 20th of the Proceedings
of the Dewan re 1795-9
dated the 22nd June last,
regarding the revision
of octroi in the minor
Municipalities of the
District Proper, I have
the honor to enclose for
information a state-
ment showing the
receipts from this source
during the last 5 years.

I am of opinion
that all these duties
should be remitted.

Yr. obedt. Servant

Except the duty on piece goods, & in
and Birm the duty on oil. The
sanction encouraged on the other articles are
as ~~responsible~~ considerable & not worth the annoyance &
exhaustion caused by levying them.

3. I beg to take this opportunity of re-
commending that the Municipalities of
Amilurpur and Durgere be done away
with. Amilurpur is a small village
of no importance whatsoever while
Durgere has probably not more than
40 houses within the Municipal limits
and half the house tax on these, consti-
tutes nearly all the Municipal revenue
Mr. Mahomed Ali in proposing this bill
being raised to the rank of a Municipal
town. Doubtless thought that Octroi
would be allowed to be levied on all
articles coming into the weekly Bazar.
but this has not been sanctioned.
Consequently the total revenue of this
Municipal town will be insufficient
to pay even a scavenging establish-
ment.

Yours the honorable

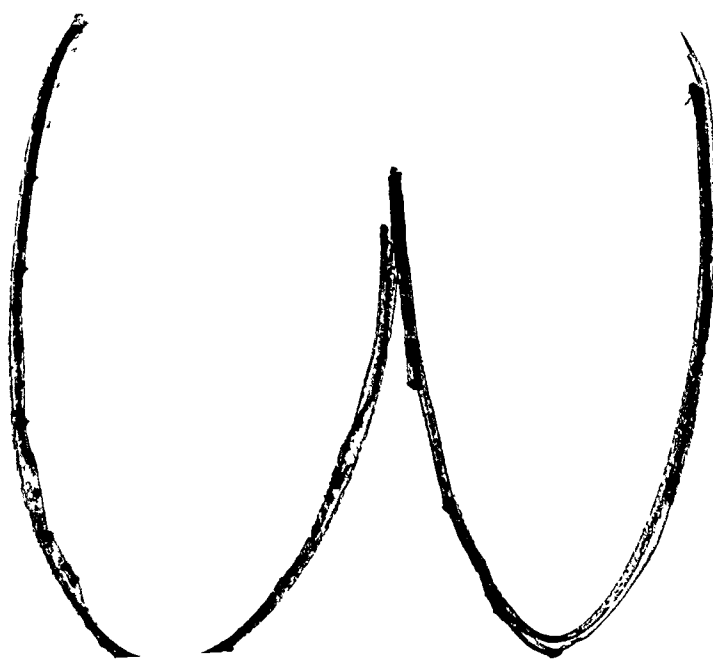

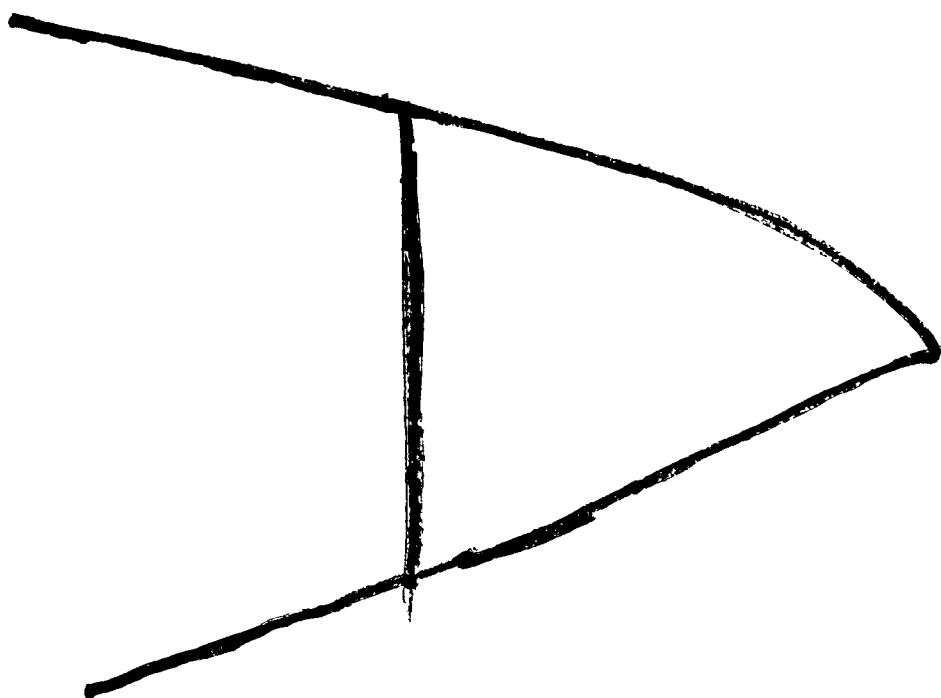

Sir
